

BACK TO SCHOOL COLLECTION PARTNERS

Learn more about who we are partnering with to Love our Boerne Schools!

SAM'S KIDS

This is our 7th year to partner with Sam's Kid's to assist in their endeavor to provide filled backpacks for those in need. This year, Sam's Kid's will fill around 145 backpacks. The mission and vision of their student program is to find and provide programs, people and services that help narrow the gap between a child's current academic performance and their full academic potential. To learn more contact Janet D'Spain at janet.dspain@boerneisd.net.

"Sam's Kids programs include blue bus tutoring, improved TAKS scores, decreased drop-out rates, increased mentoring assistance, and connections with community service providers."

HILL COUNTRY DAILY BREAD:

We have partnered with Hill Country Daily Bread to help provide new school shoes to as many school-aged children and students as possible! HCDB has a mission to help and equip the body of Christ with food, resources and training necessary to transform our communities and the lives of those in poverty and need through the love and saving grace of Jesus.

"With 24% of Kendall County students living in poverty, school officials report that if children don't have clothes, they often stay home from school. New clothes gets them into classrooms and improves self-esteem. Students acquire the knowledge and tools they will need to achieve and advance. This allows them to fulfill their God-Given potential."

BISD & HCPCC NURSES:

Cibolo Creek Community Church has ambassadors to every campus nurse in BISD and the nurses who support the Hill Country Pregnancy Care Center! Each year, nurses have specific needs to be able to care for students well and do not always have the budget to stock their offices. We will endeavor to help our Nurses, and nurse ambassadors, care for these people on the front lines of helping children and students by providing as many of these items as possible.
