Activity

Wide, Long, High, and Deep

What You Need:

Painter's tape and paper

What You Do:

Tape a horizontal line (at least 48 inches long) and an overlapping vertical line of the same length on the wall at a height reachable by your child standing on their toes. Cut out two hearts from paper and tape a heart at the top and bottom of the vertical line.

Review the memory verse using the motions below.

Say, "Let's say our memory verse with some fun motions. Do what I do!"

"How wide (*stretch hands along the horizontal tape line*) and long (*stretch hands along the vertical tape line*) and high (*jump and tap the heart at the top*) and deep (*crouch low and tap the heart at the bottom*) is the love (*hug yourself*) of Christ; (point up) Ephesians 3:18. (*Open hands like a book.*)"

Repeat the activity as interest allows.

Say, "Jesus' love for us is wide and long and high and deep! Jesus is the best friend ever. Tell me, who loves you? Jesus loves me."

ENGAGE IN EVERYDAY MOMENTS TOGETHER

Morning Time

When you go into your child's room, say: "Good morning, [child's name]! Jesus loves it when we spend time with Him. Let's tell Jesus good morning together. Good morning, Jesus! We love you!"

Cuddle Time

Cuddle with your child and pray: "God, It is such a gift that Your Son, Jesus, wants to spend time with us. Help [child's name] and me remember that Jesus is always with us waiting to listen, help, and be the best friend we could ever ask for."

Drive Time

While on the go, talk about some ways we can spend time with Jesus. We can talk to Jesus, sing songs to Him, read/listen to the Bible and love people like He does.

Bath Time

During bath time, take turns making a sound. (It can be anything.) The other person has to listen and guess what the sound is. Is it a frog? Train? Motorcycle? When you're done, talk about how Mary chose to spend time with Jesus and listen to Him.
