

# BE WITH JESUS

# 30-DAY SCRIPTURE CHALLENGE

We invite you to join our Church-Wide 30-Days in God's Word Bible reading experience! As disciples seeking to "Be with Jesus", let's seek to spend time with God through daily reading His Word. We will be spending the next 30 days looking at scriptures where people encountered Jesus. After reading the one or two short passages, take the time to reflect and meditate on the story and experiences of the ones who encountered Jesus:

- Where were they at in the lives before the encounter and what changed because of it?
- What can we learn about the nature and character of God through the encounter?
- What can we learn about ourselves through reading these encounters, and what should be our response or change because of it?
